The screenshot shows the CyberPlanet 6.3 software interface. At the top, there is a menu bar with options: Caja, TPV, Tarjetas prepagas, Clientes, PC Servidor, PCs Clientes, Opciones, Impresoras, Utilidades, Ayuda, and Cerrar sesión. Below the menu is a toolbar with various icons for navigation and management. The main area displays a grid of 33 numbered PC icons, each representing a terminal with a timer and a balance. The balances range from \$0.00 to \$88.00. A note for PC 19 indicates a \$15.00 adjustment. On the right side, there is a sidebar with a summary of the current transaction, including the total amount of \$19.00 and a list of services used. At the bottom, there is a status bar with the website www.tenaxsoft.com, the installation number 853, the operator name 'admin', and the version 'Versión Premium'.
